*Figure 3.1 The Default Coordinate System of the Graphics Class*

*Figure 3.2 Font Metrics Dimensions*

The image shows the text "Thu May 22 15:08:02 1997" rendered in a monospaced font. Each character is positioned above a vertical line that extends downwards, creating a grid-like background for the text. The lines are evenly spaced and extend to the bottom of the text area.

*Figure 3.3 A String with a Background*

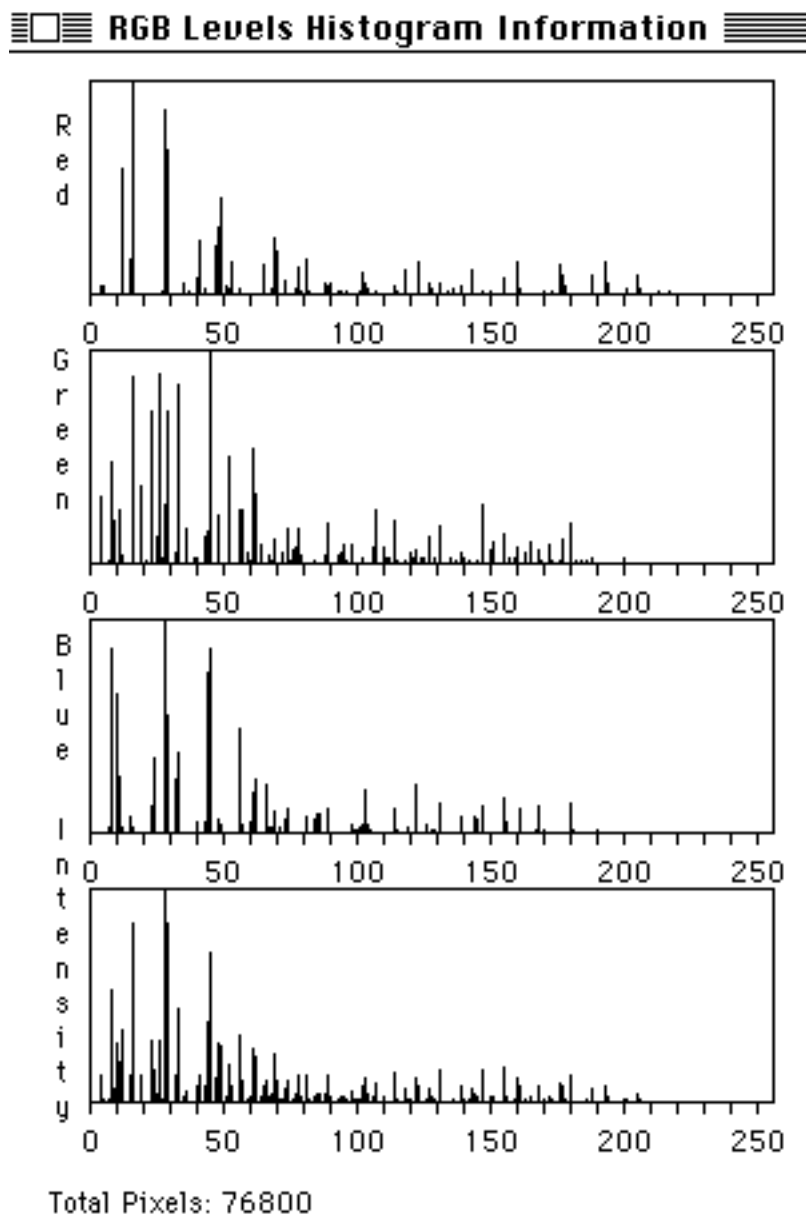

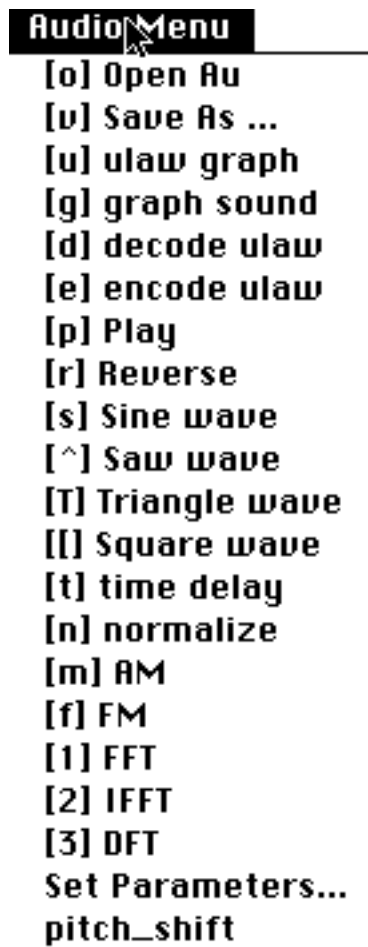

Figure 3.4 The use of the Vertical String
